**MANUFACTURER'S DECLARATION
(Machine Directive 98/37/EC, annex II, section B)**

Danfoss Commercial Compressors declares that the following products, hermetic condensing units:

MGM / MGZ	016 → 160
HGM / HGZ	018 → 160
LGZ	022 → 100

are provided for incorporation in machines as defined in the EC Machines Directive 98/37/EC, annex II B.

Reference to harmonized standards:

- EN ISO 12100-1: Security of machines- Basic terms and definitions, general guidelines concerning the layout/structure. Part 1: Fundamental terminology, methodology
- EN ISO 12100-2: Security of machines- Basic terms and definitions, general guidelines concerning the layout/structure. Part 2: Technical guidelines
- EN 60204-1: Safety of machinery – Electrical equipment of machines
Part 1: General requirements
- ISO 12499: Commercial fans – Fan Mechanical protection – Safety – Mechanical protections
- EN 60529: Types of protection by means of housings (IP code)

Danfoss Commercial Compressors, furthermore, declares that it is not allowed to put these products into operation until the machine, into which it is to be incorporated or of which it is to be a part, has been found and declared to be in conformity with the provisions of legislation, i.e. as a whole, including the product of this Declaration.
