

Tecumseh

UE Conformity Declaration

References: Low Voltage Directive 2014/35/UE
and in accordance with the Electromagnetic Compatibility Directive (EMC) 2014/30/EU

We, Tecumseh Europe Sales & Logistics, 2 av. Blaise Pascal, 38090 Vaulx-Milieu, declare herewith that the induction motors designated below:

503xxxx, 507xxxx, 519xxxx, 521xxxx, 526xxxx, 536xxxx, 546xxxx, 5XAxxxx, 5XBxxxx,
5XCxxxx, 5XDxxxx
xxxx being an order number between 0 and 9999.

have been designed and manufactured according to the following standard :

- CEI 60335-1 : Safety of household and similar electrical appliances - Part 1 : general requirements ;

in order to be incorporated in appliances or machines complying with Directives:

- Low Voltage Directive 2014/35/UE
- Electromagnetic Compatibility Directive (EMC) 2014/30/EU

under the restriction that the manufacturer of the final product in which there are incorporated should verify that their integration, and/or assembling, complies with relevant EC laws.

This material participates, as component, to essential requirements contained in 2014/35/UE Directive.

The declaration of compliance is issued under the sole responsibility of the manufacturer.

Vaulx Milieu, June 10, 2016

François BOUJLOT
Managing Director
